📍 Office No. 106, 2nd Floor, Above SBI Bank, Abhonkar Lane, Ravivar Karanja, Panchayati, Nashik - 422003

1. Introduction

❖ Organization/Company Profile –

We at NP IT Solutions are a group of IT experts, who accompanied a promise of conveying technology-enabled business solutions. We give world-class software and web advancement services that focus on assuming a supportive job to your business and its holistic development. Our profoundly skilled associates and worldwide conveyance capabilities ensure the accessibility and scale to adjust client's technology solutions to their business needs.

❖ Institute Profile- Engineering

Brahma Valley College of Engineering and Research Institute, Nashik, is one of the premier institutes in Maharashtra, involved in Engineering and Technical education. Providing the quality technical education in our area.

1.1. Objectives of Co-operation

The main objective of this MoU is to provide a platform to build a strong and on-going relationship between NP IT Solutions & BVCOE&RI, Nashik.

The primary goals are –

- To develop and foster strategic linkages between the BVCOE&RI, Nashik & NP IT Solutions IT Training & Solutions.
- To understand the needs and expectations of both the Institute and the organization and to execute relevant identified activity required to meet the needs and expectations therein.
- To help students in their career development.

2. Co-ordination

Both parties NP IT Solutions and BVCOE&RI Nashik shall take all reasonable steps to co-operate & ensure successful implementation of all the measures mentioned in this MoU.

3. Areas for Co-operation

3.1 Participation in knowledge sharing at BVCOE&RI:

NP IT Solutions shall select and depute Industry experts, Technology specialists; to participate and deliver technical talks on various topics as shall be, jointly, decided by the Department of Computer Engineering, BVCOE&RI Nashik and NP IT Solutions Such talks/lectures shall either be a part of the curriculum or a value-add knowledge for the students. Also these talks may be oriented for the career growth of the student.

3.2 Projects for Engineering Students:

NP IT Solutions shall provide students with the real life/industry oriented problem as an academic project. Also guide the students during the various stages of the Project development. The contribution can be extended as the sponsoring projects for students and issue the required documents time to time. BVCOE&RI Nashik shall guide the students for project development and record the participation of the NP IT Solutions for support to project development.

3.3 Training and Placement support to BVCOE&RI:

NP IT Solutions shall conduct Training programs, Workshops as and when necessary to help the students to enhance their technical and soft skills. Engineering shall coordinate the Training/Workshops activities at their premises using their infrastructure. NP IT Solutions shall recruit competent and potential students of final year Students depending on their annual need and growth plan. This activity shall be governed by their selection process steered, jointly, by the Placement Cell of BVCOE&RI and NP IT Solutions.

3.4 Participation in technical events of BVCOE&RI:

NP IT Solutions shall consider participation in technical events of Engineering. Events include National/International conferences, workshops, finishing schools, value-add courses hosted by BVCOE&RI. The final decision shall be taken on a case to case basis after review and discussion between the two parties.

3.5 Faculty and students- summer and Winter Trainings and Internships / Industry Visits to students:

- NP IT Solutions shall identify, encourage and support the evolving technical competence in students by providing Student Internships and Summer/Winter trainings to students during their vacation

- NP IT Solutions shall deploy such students on specific technical works at their development centers. BVCOE&RI will observe and record the training being taken by the student.
- NP IT Solutions shall evaluate the quality of the work carried out by the Students and award them with a certificate at the end of the Studentships.
- Training and Placement coordinator of the Computer Engineering Department and of BVCOE&RI shall co-ordinate with NP IT Solutions throughout the process including initiation of the Students training request at the appropriate time, selection of students for the training overseeing the technical work carried out by the Students and the evaluation of the work carried out by the Students as might be required by BVCOE&RI.

3.6 Nurturing Exchange programs:

Engineering shall foster the Industry-Institute exchange program with respect to the faculty and industry executives to serve in the organizations on an exchange basis. This shall provide the associates of NP IT Solutions and Engineering with cross-learning opportunities.

4. Confidentiality

Either party guarantees and acknowledges that all information whether in writing or oral or otherwise obtained from other party under this MOU would be kept strictly confidential during the MOU or after cessation, either party shall not divulge, disclose or impart to any third person/organization. The provision of this clause shall survive the termination of this MOU.

5. Miscellaneous

5.1. This MOU shall be valid for a period of 3 years from 23 November 2021 to 22 November 2024 and will be signed by BVCOE&RI & NP IT Solutions. This MOU shall be renewed for further term with mutual consent of the two parties. Either party may terminate this MOU by giving 30 days prior written notice to the other.

5.2 Neither party here under shall be liable for any consequential loss or damages arising out of the performance of obligations under the terms of this MoU.
