#### The Procedure for Sanction Of BVCOE&RI Scholarship Is as Follows:

- A notification is sent to all the student via e-mails/SMS calling for eligible students to apply for the BVCOE&RI Scholarship. It is also notified on notice boards and website.
- The filled application form should be submitted to the scholarship section in the office on or before
  the last date notified.
- The applications forms are distributed to the respective departments by the scholarship section for the next phase of selection process.
- The department has a scholarship committee consisting of HOD, senior professors, mentors and class teachers that receive the application forms and initiate the selection process by conducting the interviews of the applied students.
- The students who satisfy the eligibility criteria are recommended for BVCOE&RI Scholarship.
- The recommended student list from all the departments will be sent to scholarship section.
- The principal goes through the list of eligible students in the college council meeting for final selection and the final list will be sent to the management for final approval and distribution of scholarships.

BVCOE&RI Scholarship was found to have a profound impact in alleviating the financial burden of the needy students to a certain extent. It was also observed that the dropout count of students who discontinue their studies because of financial constraints has reduced significantly because of the BVCOE&RI Scholarship Hence, it is considered as one of the best practices in BVCOE&RI. Institute earmarked Rs.25 lakhs to give away the BVCOE&RI scholarships to the needy and meritorious students. In the academic year 2021-22, large number needy students were shortlisted and each was given Rs.10,000 /- to Rs.40,000 /-. This financial assistance has helped the students to continue their education. Institute is planning to implement tuition fee waiver scheme from the next academic year so that a greater number of needy students can be benefitted. The Institute also provides hostel fee concession for poor boys/girls. The eligibility criteria include weightage for economic condition, academics and extracurricular activities.
